

Recognizing and Reporting Child Abuse and Child Sexual Abuse

For Teachers, Professional Caregivers and Other Mandated Reporters

**The 3 part DVD series (68 minutes) including facilitator's guide - \$399
Individual Titles - \$149 each**

The 3-Disk Set Includes:

Part 1 Child Abuse in our Communities (23 minutes)

- Explores the scope of this unseen epidemic
- Identifies the responsibilities of mandated reporters
- Provides a method to report suspected abuse
- Examines the different types of abuse

Part 2 Recognizing the Signs of Child Sexual Abuse (24 minutes)

- Describes why child sexual abuse often continues for years
- Identifies how perpetrators control their victims and their victims' families
- Examines the emotional scars and other effects that sexual abuse has on children
- Explains what behaviors to look for in children that might indicate abuse

Part 3 Handling Disclosures and Reporting Abuse (21 minutes)

- Discusses how to talk to a child who seems troubled
- Explains how to appropriately handle a disclosure
- Examines how to document suspected abuse
- Reviews how the authorities may conduct an investigation

"This video training series must be seen by everyone who works with children!"
